Subject: RE: SMSF Documents for Review

Hi Mari,

Please find attached the trust deed and compliance documents for **Sulianas SMSF**. We need to complete the registration with the ATO by end of month.

Thanks for sending these through. I've reviewed the documents and they look good overall. However, I noticed one item that needs attention:

- The trustee declaration needs to be signed before we can lodge

Can you arrange for the declaration to be signed and returned to me?

Kind regards,
Tanesha Reed
